BRENTWOOD SCHOOL 155 SOUTH LAYTON DR. LOS ANGELES, CALIFORNIA 90049

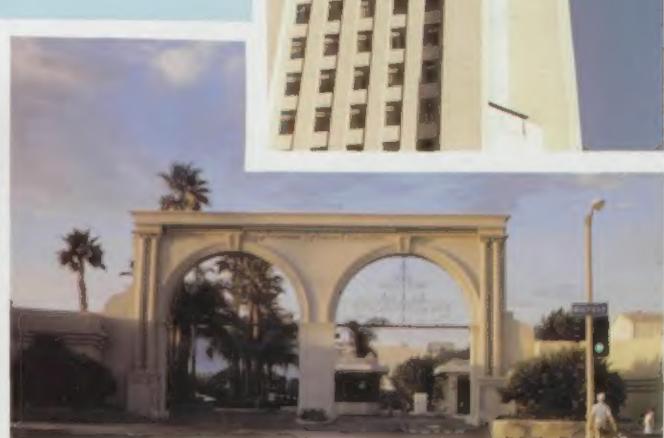

Located in the heart of Los Angeles, Brentwood School has absorbed the finest aspects of city life. Providing a rigorous academic standard, Brentwood School is considered the finest college preparatory school in Los Angeles. The school, because it is located in the middle of Los Angeles, offers convenient access to all of L.A.: the coast, the mountains, the canyons, and the valleys. The student body is composed of a variety of cultural backrounds reflecting the diversity of Los Angeles itself, both geographically and culturally. We love L.A.!

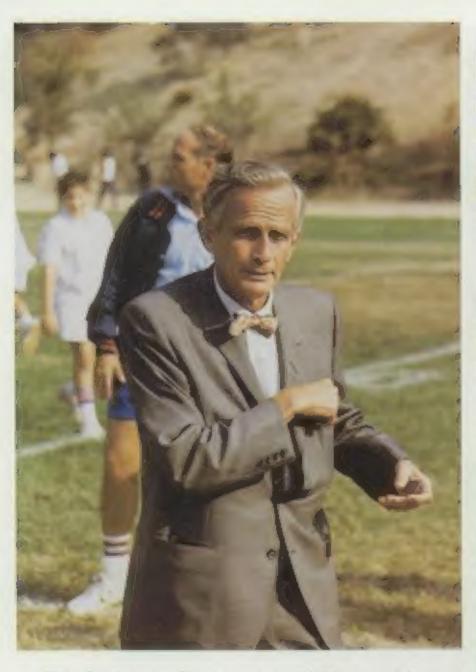

Like Wow man, life at Brentwood is a trip. It's just too cool to believe. Like, call it intellectual stimulation. One can walk through the halls and hear people chat about phospholipids or quietly discuss the merits of the electoral college. Like, I just get so excited, you know. K-wood, coke machines, ice cream at lunch - it just blows me away. Sports, dances, activities -I'm psyched, man. Yesterday, a little comedian came up to me and said "Coke is it." He walked away laughing like a madman. Like, things have changed since I left the Lower School, you know. I just stood there, looked up, and burst out screaming "Yaaa, Dude."

The faculty at Brentwood is highly capable and motivated. The faculty members are chosen to be a part of the Brentwood community based on their qualifications in teaching techniques, interpersonal relationships, and support of the Brentwood family. They serve not only as mentors, but as friends to their students. Their concern is evident in the many out-of-school hours that teachers spend with their students. The faculty adds enthusiasm and guidance to the Brentwood community. The environment fertile for growth and expansion that the faculty helps create is central to what makes the Brentwood experience so special.

#### BRENTWOOD

GO BAGLES

In the midst of Los Angeles and its many championship sports teams, there exists a new gymnasium at Brentwood School. In this facility, many a team is destined "to war like eagles." Such was the case for the 84-85 Brentwood teams. Brentwood offers a wide variety of afterschool sports spanning all seasons and including both boys and girls. The fall sports include football, crosscountry, and girls' volleyball, while the winter sports season consists of basketball and soccer. Springtime finds Brentwood involved in boys' volleyball, baseball, and girls' softball, along with track and field and swimming. Coach Stockle, at the head of an excellent coaching staff, sums up the Brentwood sports philosphy as follows: "At Brentwood, we try to develop the students physically, while teaching them the qualities of leadership, cooperation, and responsibility."

The success of the sports year can be attributed to the dedication and committment of both the athletes and their coaches. Clearly, the Brentwood sports program is a positive attribute of the school, and it has proven itself worthy of the pride and support of the Brentwood community.

### SPORTS

#### ACTIV

The Tuesday activities, started one year ago by our Headmaster Dr. Temple, has been quite a success. These activities, from the Pep Club to Trivial Pursuit, have given the students a chance to work with each other and take part in organizing activities. Other activities include Sign Language, Sports Trivia, Lower School Times, World Affairs, Backgamon, German Club, Outdoor Club, Art. Aerobics, and a host of others. These activities help bring the students together in a nonacademic environment, thus bringing the members of the community closer together

# ITIES

#### COMMUNITY

#### LIFE

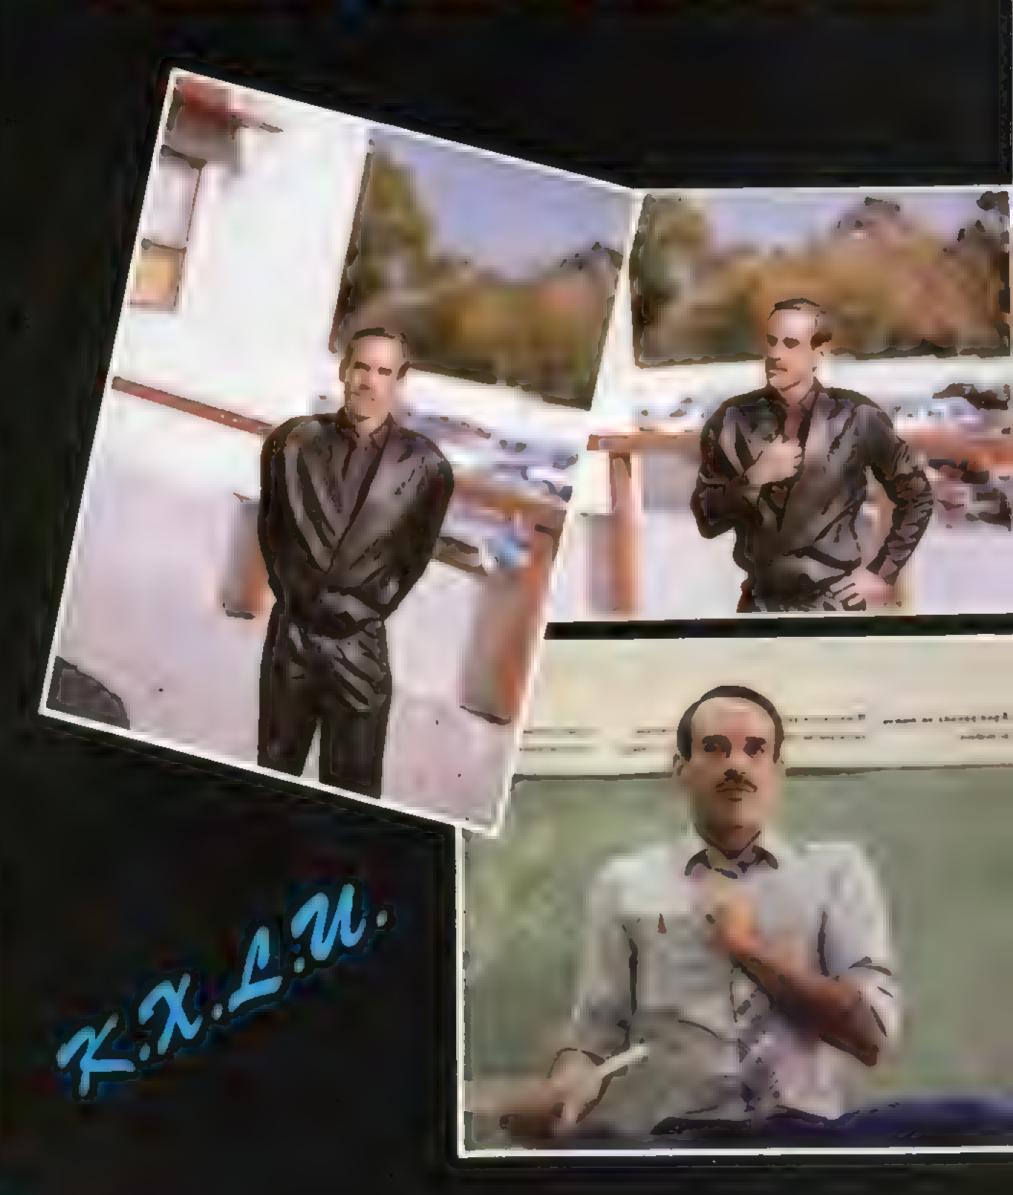

Brentwood School has played a major role in the community since its conversion from Brentwood Academy in 1972. Our closest neighbor, The Veteran's Administration, has been very kind and supportive of our school. They have given us the use of Sawtelie Field, a cross-country course, and even Wadsworth Theatre. In addition, we support the VA through our VA volunteer program. Once a week, during activities, Brentwood students go to the VA and assist the Veterans in whatever way they can. The VA is our closest neighbor, but by no means our only one.

In their free time, many Brentwood students enjoy themselves at "The Viliage," Whether at Maria's, Numero-Uno. The Brentwood Village Market, or the pharmacy, Brentwood students have an opportunity to escape the academic rigors of the school.

Another nearby neighbor, UCLA, is frequented by many Brentwood students in both their free time and their school time. Several Brentwood students even take classes at UCLA.

As a whole, the school tries to involve itself in many activities with its neighbors. Though there is an ongoing struggle with the residents on Layton Drive, relations with the residents are constantly improving and the future looks bright.

## Senior Class Dedication

# Esteban Cacicedo

Esteban José Cacicedo is an integral part of Brentwood School. He plays an important role not only in the academic side of student life, but also on the social side. It is almost inevitable that an upper school student will be acquainted with Mr. Cacicedo in some way.

Mr. Cacicedo has been at Brentwood for the past nine years. During this time, he has taught Spanish, levels one through five, and also psychology. He draws students into learning through his unique method of teaching. He challenges students to examine their values and define their individuality. His students address him by such pseudonyms as "Mr. C", "Caci", "Dichon", and "El Señor."

To those who know him, Mr. Cacicedo advocates a peaceful and enjoyable life. On the other hand, he appears to be critical of life. His familiar sayings include "asco de vida" (this disgusting life), "cayare su boca" (be quiet) or "uuuggh" (uuuggh). For helping to develop our critical minds and our inner souls, we the SENIOR CLASS dedicate the 84-85 Aerie to Mr. Cacicedo, and we wish you luck on your individuation.

Once upon a time, a couple of years ago there was a fifteen year old boy named Brad. Brad. was a quiet, long haired likable type of guy who had just been accepted to a new (private) school named Brentwood. Brad had attended public school for the past two years and had acquired only one really close friend, Todd. Todd was a scrappy looking driy blonde with the heart and soul of a king. As time passed everything that happened to them brought them. closer together. They never had a fight but sometimes the care they had for each other would keep them from talking to ease a situation. No matter what the circumstances of hinderance it would draw them closer and closer together, to the point that the LOVE they had for each other was not made on this earth. Now it was the next year the tenth grade and Brad had to make friends all over again. That was going to be tough enough but he also found himself with more school work than he knew what to do with. He made friends with Brian, a wild and enthusiastic individual. Brian helped Brad get through his school year but more importantly introduced him to his friends who later would become Brad's friends. Brad. now had more opportunities to make thends. He came into contact with a gliv named lason. Jason is the philisophical-romantic type who would later prove to be an invaluable friend for getting advice from (Thank you) Brad also made friends with a guy named Blake. Now Blake was a dapper Don Juan type with the ladies. Whenever Brad wanted to go out and have a good time Blake was there. Now in my senior year I met a girl who wanted me to take her to school. So I gladly accepted, Kristen was in tenth grade and she was very mature for her age. Since she already had a boyfnend I adopted her as my little sister and we have developed a brother sister relationship. I could continue for at least ten more pages talking about all the people Brad came into contact with and that have meant something to him, but space won t allow. It is my philosophy that to know someone is to know everyone he has ever met and will ever meet, you have made my life a fun and enjoyable life to live. THANK YOU!" P.S. Todd just called to tell me that he heard this great new lync, listen "Keep spreading the power of Love, no matter what" I agree with it. So please . . . everyone be kind to your

When I was young, it seemed that life was so wonderful, a miracle, or it was beautiful magical. And the birds in the trees, well they'd be singing so happily joyfully, playfully watching me. But then they sent me away teach me how to be sensible logical responsible practical. And they showed me a world where I could be so dependable, chriscal, intellectual, cyrical.

Ticking away the moments that make up a dull day You fritter and waste the hours in an off-hand way kicking around on a piece of ground in your home town. Wating for someone or something to show you the way Tired of watching the sunshine staying home to watch the rain You are young and life is so long and there is time to kill today And then one day you find that ten years have got behind you No one told you when to run, you missed the starting gun And you run, and you run to catch up with the sun, but it's sinking And racing around to come up behind you again. The sun is the same in a relative way, but you're older And shorter of breath and one day closer to death Every year it's getting shorter, never seem to find the time. plans that either come to naught or hail a page of scribbled lines. langing on the quiet desperation is the English way The time is gone the song is over thought I'd something more to say

#### It is Friday yet?

Well I'm on my way
I don't know where I'm going
But I'm on my way
I'm taking my time
But I don't know where
— Paul Simon
Now the years are rolling by me
They are rocking evenly
I am ower than I once was
And younger than I'll be
That's not unusual
Though it isn't strange
After changes upon changes
We are more or less the same

To all my friends who in the past eleven years, have repeatedly shown me the importance of friendship. Mickey, David Philip, Mac, Jim, Danny, David G., Joe, Mike, Jason, Kevin

To its to people at Brentworld students and facults alike who have made these past socyears a rewarding experience in many ways (esp. 5. Wallace Ms. Dunn. Ms. O'Hanlon, Ms. Podner, Dr. Mazzi, Mr. Cacicedo, and Mr. V.)

Li More and Tad You two are wondeds. Fir all the it nigs you have given me I think are most gratefy for the two of your qualities. You have been supportive but not liver manning in short, you have been there when i needed you but not there when I didn't need you (does that make sense. We ill you know what I mean ) I live you two very much.

To susan and Emily You are two wondertuisisters and two wonderful people. I wish I had some printound words of wisdom to pass on to you but I don't. All I can users to be vourselves, and even in the face of the greatest pressures, don't change your fundamental nature, you if understand this someday, bridy, I know that I don't show it often enough, but I do love both of you.

To lience I smally a trage ly am torced to complise in a few lines something that would be a challenge to express in many volumes. You a very special and brautiful person. Thanks for keeping me in balance. I will always love you.

TIMI

Ticking away the moments that make up a dull day, you fritter and waste the hours in an off-hand way. Kicking around on a piece of ground in your home town, wating for something or someone to show you the way. Tired of lying in the sunshine staying home to watch the rain, you are young and life is long and there is time to kill today. And then one day you find, ten years have got behind you, no one told you when to run, and you missed the starting gun

And you run and you run to catch up with the sun but its sinking. Racing around to come up behind you again. The sun is the same in a relative way, but you're older, shorter of breath and one day closer to death.

PINK FLOYD

After an opening day loss to CIF champion Big Pine, the Eagles discovered their learn was something special. With a good blend of youth and experience, the Eagles dominated a California Christian team whose only loss all year would be at the hands of the Eagles. After the next two games, the Eagles would find themselves still at the .500 mark, ready to battle the teams from the lough Delphic League. The league opener was against rival Buckley. After trailing 8-30 in the fourth

Brentwood Girls' Volleyball entered a whole new era in 1984 Many new factors marked the season and resulted in a banner year. The "bottom line" results were a return to being the undeteated Delphic League champions and an unprecedented second CIF championship with a 20-3 record.

The new factors were plentiful. The new gym was put into use for its first full season. The new assistant coach Steve Saeta brought a new "grovel defense" philosophy; and, the team reflected the benefits of club volleyball, with eight of the girls having played club last spring. The new era also saw true team depth as every member was capable of contributing at any time.

As any team will have, to accentuate the depth, the '84 squad had certain key players. The senior leaders were Kathy Basila and Solveig Holter, both being selected all league and all CIF first team. The key underclassmen were juniors Cathy Costetlo (all league, all CIF), sophomores Kelly Sather and Lauren Montgomery (both all league), and trosh Katey Olsen and Penny Stone (both all league). The "depth" was completed with Rebecca Kraus, Erin O'Brien, and Lyndsey McMorrow

The highlights of the season had to be three big wins over rival Campbell Hall, the CIF championship, and Brentwood's first ever trip to the state championship tournament (finishing third and Kathy Basila's receiving all state honors). Probably most notable was the special addition-contribution of Solveig. According to the head coach Jett Porter, "She is not only a fine player, but she gave the team a focus point. In many ways she helped us all come together as a unit." This was one fine team and the future is very bright

This year's 1984 Girls' Varsity Tennis Team, coached by Mrs. Reidenbaugh, held the #1 position in the Delphic League. Their league record was 6-1-1. The learn consisted of: 1 Senior, 1 Junior, 7 Sophomores, and 3 Freshmen. Captain Jill Rosenthal, Jennifer Lebe, and Shalita Masih were named MVP, Monique Hamada, Most Improved, and Jennifer Spear, Rookie of the Year

Shalita Masih was voted #1 singles player in the Delphic League by the league coaches. Jill Rosental and Jenniter Lebe were voted the #1 doubles team. Jill and Jenniter also had the honor of having the only 8-0 (undefeated) record in the league. Jenniter Spear was voted Delphic League Rookie of the Year. Jackie Kurtz was named to second team all league singles and Lon Rosenthal and Jessica Manns were named to second team all-league doubles.

As League Champions, the entire team participated in the CIF League Team Play-offs. As the #1 singles and doubles teams, Shalita Masih, Jill Rosenthal, and Jennifer Lebe also participated in the CIF League Individual Play-offs. Of the 6 Delphic League representatives at the CIF League Individual Play-offs, 3 were from Brentwood

After a rather slow start, the Boys' Varsity Cross-Country team once again won the Prep League championship and went on to a ninth place finish in the 1A-Southern sectional CIF Finals. Led by seniors Ted Bush and Teddy Gedebou, and juniors Carlton Holloway, Steve Joyner and Craig Owen, the runners worked hard to insure the successful continuation of the tradition of Divine Agony, a legacy begun at Brentwood six years ago

The other runners who were awarded Varsity letters were sophomores Greg Friedman, Fred Starr, Jeff Zook and freshman Eric Ross. The most exciting dual meet of the season was the Homecoming race against Valwood, a race which Brentwood won 27-30

Four of the five top runners were ninth graders, making Brentwood the youngest team in the league. As the season progressed, the individual times for the three mile distance improved until the league meet, where everyone posted their best times. All of this suggests that next year will be an even better year for the team, as everyone will be returning

The Girls' Varsity Cross-Country team record in dual meetings was five wins, two loses and one tie All wins were in the Prep League, with victories over Flintridge, Pacific Christian, and Chadwick. A non-league victory over Marymount during Homecoming rounded out the win column. A tie with Polytechnic was vindicated at the league meet when the team placed second behind Chadwick

This year's group was one of inexperience. With two Seniors, eight Juniors, one Sophomore, and one Freshman, the boys' basketball team was in an insecure position before the season began. None of the retruning players were starters last year, and only five of the twelve were returning Varsity material. Mike Karz, however, excelled for Brentwood, averaging 14 points a game. Larry Chalman and Pal Maloney, the two captians, also helped lead the team Two-year Varsity player Mark Hamilton and Bobby Benfield, who started the most games this season, were vital in terms of scoring and assists. Newcomers Mike Victor and Craig Owen also played major roles. Although the leam's overall (9-13) and league (1-5) records were not strong, the Eagles remained tough as they retained a winning record at home. The Seniors, Mike Karz and Larry Chalman, will be greatly missed, but buoyed by the returning crop of experienced players, Brentwood expects to be highly competitive next year

Ocohhh what a feeling

The Girls' Varsity Basketball Team hosted a CIF play-off game this year. It was the second time in the history of the Brentwood Basketball program that the Girls' Team made the play-offs. Though eliminated from the next round, the girls did capture second place in a tie, for their league. Led by captain Tami Noorzay, outstanding performances were made by the whole team. Cay Erins and Amy Rubinroit gave the most notable efforts. Tracie Temple found "her shot," while Chris Valeo builled the centers. Fresh from the Lower school team, Jenny Morrow and Nicole Hartnet showed great promise. The pine sisters, Cheryl and Melissa Karz, baffled many opponents with their aggressiveness. Returning from last year's JV Team, Allison Heller and Sophia Silver kept the game moving. Julia Kwong coached from the side-lines and impressed all when she played against the Hawk. Coach Joe Shell and Assistant Coach Diana Harmon helped guide the team through a winning season.

This year's Boys' Varsity Soccer team had a terrific season. The team was virtually a replica of last year's squad. Jason Morrison lead the offense with 29 points on the scoring list. The strong defense allowed a remarkably minute three goals in league play, which aided in the team garnering the Prep League championship. Of our 11 starters, seven were chosen for all-league standing. On the 1st learn were Phil Pecsock, Jason Morrison, Biake McLaughlin, and Daivd Leit. Named to the second team were Bryon Bass, Matt Lublin, and David Suarez. Two of our seniors were nominated for all CIF status - Phil Pecsock (our amazing goalie) and Jason Morrison. We were defeated in the quarterfinals of playoffs by Valley Christian, the eventual champions of the 1A division of CIF, and only then by the slim margin of a single penalty kick. The season closed with a 15-3-2 record. The entire team wishes to thank Coach Grant Clark, who provided motivation, leadership, and heart throughout these last two years at Brentwood. Good stuff!

The measure of a team is not always found in its won-lost record. The strides made by this group of athletes is reflected in our play against the team that won our league. At the outset of the season, we lost 6-0, in a second game, we lost 3-0, in our final game, we fied them 2-2. Our goals were to learn about the game and have some fun. We feel both goals were successfully attained.

Our leadership came from seniors Erin O'Bnen, Hilary Garland, and Lisa Friedman (playing goale for the first time ever), and we will miss thier inspiration. Two players, Kristin Bassett and Penny Stone, were named to the all-league team, but in the coach's words "All the players were all-stars to me." With many returning players and some eighth graders coming up to help, Girls' Soccer appears to have made its mark at Brentwood School

This year's track and field team was a mixture of youth and experience. The team included ten freshmen, three sophomores, three juniors, and ten seniors. Stuart Drexler was named captain of the sprint squad, Greg Cooper captain of the shot put unit, and Carlton Holloway leader of the distance tunners

A highlight was Greg Cooper's performance in the first meet of the season against E.A. Lutheran and Valley Christian. He placed second in the shot put with a personal record of 38 feet, 8 inches. Ted Bush ran the 880 for the first time ever and finished first in a time of 2.06.5 Maurice Schweitzer ran a good 330 intermediate hurdles in 50.8. Stuart Drexier, Freddie Kim, Tommy Burr, and Dennis Lee did well in the 100 meters. Christy Calame had a line performance in the two mile. She ran the race in 13.38. Adhenne Stevens ran a blazing 100 meters.

The team certainly has good potential. In subsequent meets, many good performances were turned in. Chris Haggstrom and J.C. Vitale did well in the 880 and the mile, respectively. Cariton Holloway lowered his times in the Iwo mile.

The 1985 track and field season was a success. We worked hard and it paid off in our meet performances. Track and Field now appears to be a strong part of the spring sports line-up at Brentwood

#### GIRLS' J.V. VOLLEYBALL

The Junior Varsity Girls' Volleyball team ended their season in a fie for first place in the Delphic League. The team's overall record was 10-3. The season began in late August with the Girls reporting to practice even before school began. It was at this time that the gels realized how much work has to go into attaining a successful season, and each one of them accepted the challenge. The team was a young one, but the girls were eager to learn. Behind the leadership of Chris Valeo and the strong all-around play of Gretchen Cummings, the team worked together to become successful. #### SEVENTH GRADE FOOTBALL

This year was the best ever for seventh grade football. We had more games (five) and more wins (three) than ever before. The outstanding aspect of this team was the quality of the talent throughout the squad; all team members made significant contributions to the team. The highlight of the season was a rematch, shutout victory over Curtis School in our last game, after they had come to Brentwood previously and taken victory. This talanted team gives those at Brentwood a positive outlook about our football program.

Captain Stacie Feldman provided the leadership for this outstanding group of players. Besides Stacie, eighth graders were Nancy Benfield, Laura Booker, Shell Duncan, Abby Marpet, Tavin Marin, Ellie O'Connell, Erica Roman and Tana Senn. Seventh graders were Teresa Cooper, Jamila Banks and Brooke Vinstein, Managers were Susan Lippe and Betsy Fink

### EIGHTH GRADE BASKETBALL

Starting at the Top Left Jeremy Haas, Kevin Brent Jason Edwards Derex Woodard Damon Greene Jon Douglas David Bartman Coach Jesson and Dos

This year's 8th Grade Basketball Team, as teams before it, was loaded with talent. We opened the season with a record four overtime victory against Harvard. Running and gunning were the trademarks of our play. The future of Brentwood Basketball will be a bright one with the addition of these players.

MVP — Damon Greene

Most Improved — Derek Woodard

1984-'85 was the first season the seventh grade boys' basketball team was involved in a league. In this case, the first time was the charm, as B-wood finished second in the championship tournament With such success, these boys will be a strong asset to the B-wood basketball program. Special thanks to varsity coach Mr. Ingram for his help

#### LOWER SCHOOL GIRLS' BASKETBALL

An outstanding Lower School Girls' Basketball team completed its season as cochampions of the CYO league with a record of 7-1 and an overall record of 9-1. The learn played well in play-offs, but lost in the second round to a team with a six foot center. Coach Nancy Hooker is enthusiastic about the basketball ability of this team and looks for continued development of the Upper School program as these girls move up. Starters were Stacie Feldman (captain), Jamila Banks, Abby Marpet, Brooke Vinstein, and Teresa Cooper. Others contributing strongly to the effort were Kristy Mack, Shert Lippman, Chrissy Levinson, Laura Larsen, Brooke Sawyer, Tavin Marin, Julie Gross, and Dana Reinhardt, who missed most of the season due to an injury

The future of soccer at Brentwood appears bright, because of this group of talented and hustling Lower School Soccer players. They lost only to Harvard and dominated their other games. Special thanks go to Coach Lublin and Coach Bukin for their contributions to the program. Having watched these players, the J.V. coach has reason for optimism about the coming years.

#### LOWER SCHOOL SOFTBALL

The Lower School Softball Team competes in a league which includes St. Paul, Westlake, Notre Dame, St. Sebastian, and St. Timothy. The team has outstanding talent, winning league and competing admirably in playoffs. Some of the key players are Nadine Casola, Stacie Feldman, Jamila Banks, Laura Booker, Tana Senn, Abby Marpet, Laura Larsen, and Kristy Mack. Coached by Joe Shell, this team has really soared, making our Varsity softball coach optimistic about the future

Baynard, Todd Gilligan, Michelle Norian, Jessica Lieberman and Eliie O'Connell chai enging for first position. A bright future is seen for both the Boys' Varsity and Girls' Varsity Tennis teams when these players move up to the Upper School

## SUPERSTARS DAY

On Superstars Day, classes are suspended and we get to see what the students are made of. Students compete in activities like football throw, sack races, triathlon, tennis serve, high jump, penny toss, golf pitch and putt putt, and many others. The competition is between classes, emphasizing class unity and participation. Each class comes up with its own cheer, and they compete as a group. The famous lug-of-war ends the day, and this year was won by the Senior class. Organized wonderfully by Mrs. Viscum-Rehder, the day offered much fun, food, and friendship — a great day of school.

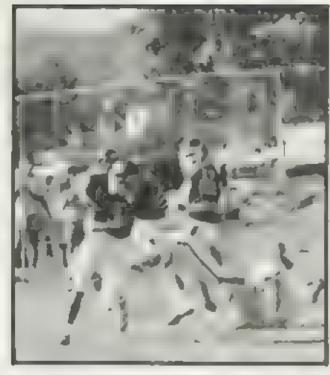

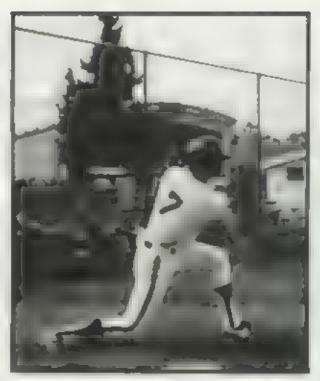

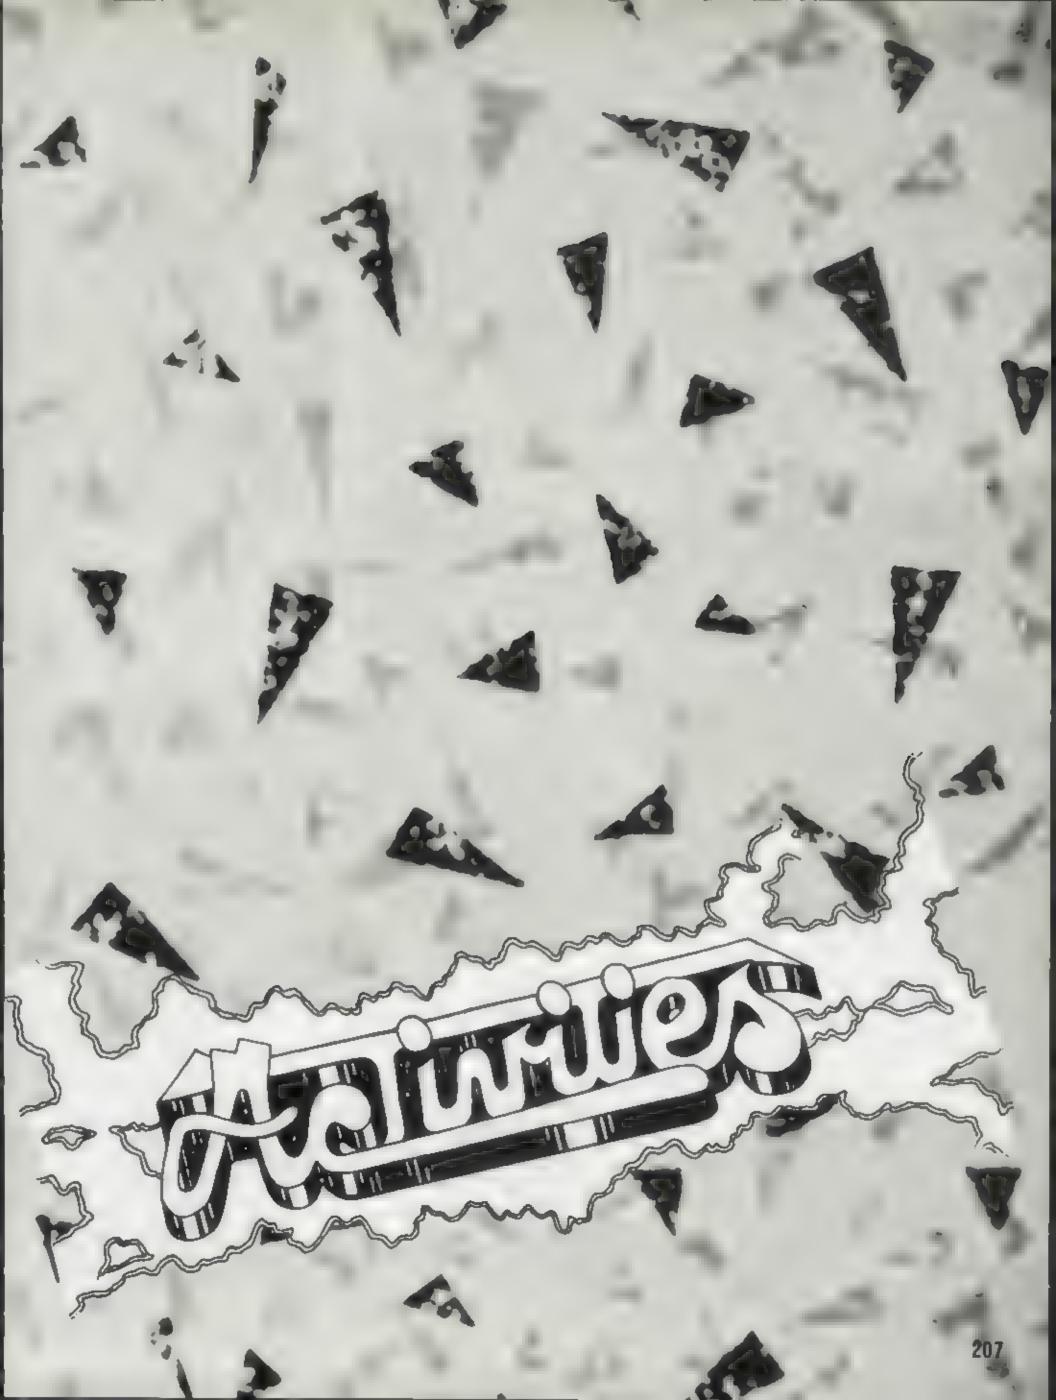

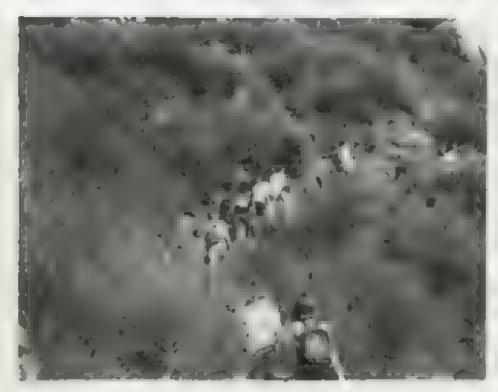

### SEVENTH GRADE RETREAT

#### 7th Grade Retreat

The 7th grade went to Orange County, to the Lazy W. Ranch in the Santa Ana Mountains, and to the Orange County Manne Institution in Dana Point. At Lazy W, activities included rock climbing, the famous hike to the "cross," adobe brickmaking, and late-night cabin raids. At OC-MI, we studied ocean life, both on a two hour boat cruise, and in a fulty equipped laboratory. The most important thing was that we all grew closer as a class and made new friends.

## EIGHTH GRADE RETEAT

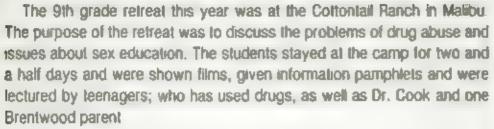

The entire eighth grade had the opportunity to explore Yosemite Valley for one week. Instruction is through the Yosomite Institute and covers ecology, geology, and natural history. The park becomes the classroom and the students hike from site to site. It was a truly awesome experience for everyone involved.

## NINTH GRADE RETREAT

## TENTH GRADE RETREAT

The 10th grade went to Catakna during intersession. White visiting the Island of Catakna, the students became closer and participated in various activities. Some of the activities were: snorkling, hiking, and observing plant and ocean life. The students learned more about oceanography and each other in those few short days.

### **ELEVENTH GRADE RETREAT**

For the past 2 years, the Junior class has gone to the Boojum institute at Cedar Lake, Big Bear. The Boojum Institute taught the Junior class about survival skills, which ended in an all day hike with the use of only a compass. Included in the Junior retreat was a college talk by B-wood's own Mr. "V" and Mrs. Balak. They gave the Juniors a preview of what to expect from the approaching college admissions process.

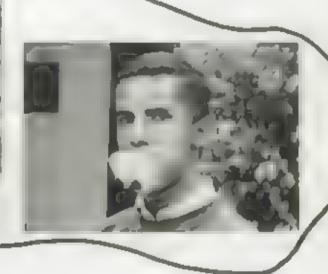

### SOC HOP

The 1984 Soc Hop was haid in the new gym, to celebrate its completion. The Soc Hop also served as a get-to-know each other dance to which the entire student body and all parents were invited. The lower grades got down to tunky tunes, while the seniors and parents hopped to "Good Lovin' Everyone enjoyed watching Dr. Temple jump in to do his version of the "Time Warp." Refreshments were graciously provided by the Parents' Association. The fall Soc Hop was a great success, boasting the largest turn out ever at an all school dance

### **OUR NEW GYM**

One of the year's most exciting events was the 'breaking in' of the new gym. After months of planning and construction, the gym was finally teady for use. The first day of school began with an assembly held inside the new gym in honor of its completion.

The fall sports teams were the first to take advantage of the new facilities. The Girls' Varsity Volleyball Team overpowered the opponents in their thumphant quasi for the CIF Championship. The Girls Varsity Basketball Feam followed by hosting their CIF Finals game in the gym. The strong Boys Volleyball Team expects to continue in the same tradition of outstanding athietic performance.

The new gym also serves as a gathering place where the three day-a week assembles serve as a forum for daily announcements — from administrative conditions to birthday saturations. Special holiday programs presented by the orchestra and choral groups have been held in the gym during the assembly/activities period on Tuesday afternoons Facilities include a gymnastics/dance room, a weight room, locker rooms coaches' offices, a trophy room, and (on yeah) classrooms

This long awaited gym has not only offered outstanding facilities, but also provided motivation to all members of the Brentwood Community.

### BRENTWOOD BABY BOOM: CLASS OF 2002

Reflecting the times, Brentwood has added some bright new faces to its family. With a wonderful new nursery located near our new gymnasium, feachers are better able to balance career and family. We welcome the facility, and our new Brentwood family members.

#### DEAN'S COUNCIL

The Dean's Council is a new area for student government this year. The group consists of teachers, parents, and students all working together to plan activities for the school. The Council organized such events as the semi-formal and the "one Voice" food drive. They are now making plans for more fun and worthwhile activities

#### STUDENT SENATE

Along with the new gym came a new system of school government - student senate. Each class elected representatives, and the president and vice-president elect would sit in on the meetings, with the exception of the senior class, in which the head prefect, one other prefect, president and vicepresident would all have seats. A group of teachers are also included in the weekly Tuesday meetings The procedure was a semi-strict format in which the head senior prefect would run and lead all discussions. The senate helped to serve the students of Brentwood School in many ways, and gave the students an important voice in policy-making. 219

#### PEP CLUB

New to B-wood this year is the Pep Club Comprised of about 50 members, the Pep Club's main objective is to increase school spirit. Various committees such as publicity and concessions have been working hard toward this goal. Each week members of the Publicity Committee make signs which announce upcoming sporting events. To raise money and spirit, Pep Club members sold "Be lough Eagles" buttons, ribbons, Eagle painter's hats and pizzas. The club, under the leadership of student coordinators Allan Schweitzer and Adam Dishell, was Instrumental in making the Homecoming Pep Rally a big success. B-wood's new co-ed Yell Leader Squad and our 10 Lower School yell Leaders have added a great deal to many school events. It looks like the Pep Club will become a strong B-wood tradition

#### PEP BAND

Ably led by musical wizard Jon Reed, the Pep Band has boosted school spirit by providing their enthusiastic support at athletic contests and at pep railies. Their musical talents helped sparked the crowds watching Brentwood sports, and the community as a whole

### ELEMENTS OF DANCE COMPOSITION

This class provides the students with an opportunity to learn some dance warm-ups and stretches, to learn some simple dance routines, to choreograph or create their own dances, to learn about the techniques of professionals, and to produce and perform dance

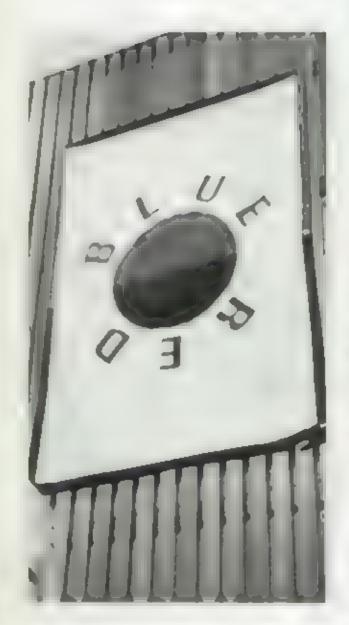

#### **AEROBICS**

This activity has a unique blend of upper and lower schoolers, and it stresses the importance of cardiovascular litness. Each student was given an opportunity to make up his/her own routine and lead it in front of the class, thus developing leadership qualities. You should be dancing!

Intramural Planning Back Earl Richmond, Michael Victor Nadine Cassola Front Coaches Hooker and Harmon Amy Rubinroff, Heather D'Connell, Chris Valeo

#### BLUE/RED INTRAMURALS

The Blue/Red Inframoral program was started this year to enhance school spirit, to foster the highest ideals of sportsmanship, fellowship and good conduct and to provide opportunities for all students to participate in group activities. Mrs. Hooker and Ms. Harmon advise this group, which has organized games such as Lower School soccer, volleybal, basketbail a triathon and a game of "killer". Half the school are REDS and the other are BLUE. Overall, Reds were ahead at the end of first semester by a score of 978-890, and they also captured the Superstars competition.

Brentwood's Weight-lifting class.

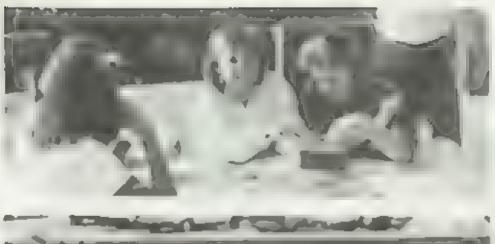

#### STAMP AND COIN CLUB

Brentwood's Stamp and Coin Club activity is open to any interested 7th or 8th grader. Each session is a little different: we handle common as well as rarer stamps and coins, learn how to grade them, price them, and observe for hidden damages and counterleits. The history of U.S and foreign stamps and coins is briefly studied, and we have trading sessions and an occasional field trip to a local numismatic-philatetic show. We also talk about paper money, baseball cards, and Olympic pins. We learn to safety store our collections in the proper albums and holders. Best of all, we make new friends and all learn something from each other's collection.

#### SPORTS TRIVIA

The very relaxed almosphere of Sports Trivia is a place where people share and boast about their knowledge and mastery of different sports Each week a couple of members of the Sports Trivia activity give tests to the class and points are awarded to the five highest scores. Prizes are given at the end of the year to the five top scores. (Picture at Lower Right)

#### TRIVIAL PURSUIT

For the less cerebral, or for those simply bored with chess, students have the opportunity to flex their mental muscle pursuing trivia once a week. Mr. Strom is the nominal superviser of this activity, but offers no guarantees of any spin-off academic benefit

### CHESS CLUB/BACKGAMMON

#### **COMPUTER CLUB**

The computer activity is designed to allow seventh graders access to the school's computer center. Students may bring in their own software for either IBM or Apple computers; or they may use the software which is available through the center. Students work in pairs or in groups on the computers it is a very social hour which is enjoyable for a

The Administration volunteers make the extra effort to repay the VA for some of their generosity toward Brentwood. For example, they sponsor the annual gift drive and caroling for the veterans at Christmas time Each Tuesday this group head over to the V.A. and lends their help in any way they can

#### JAZZ APPRECIATION

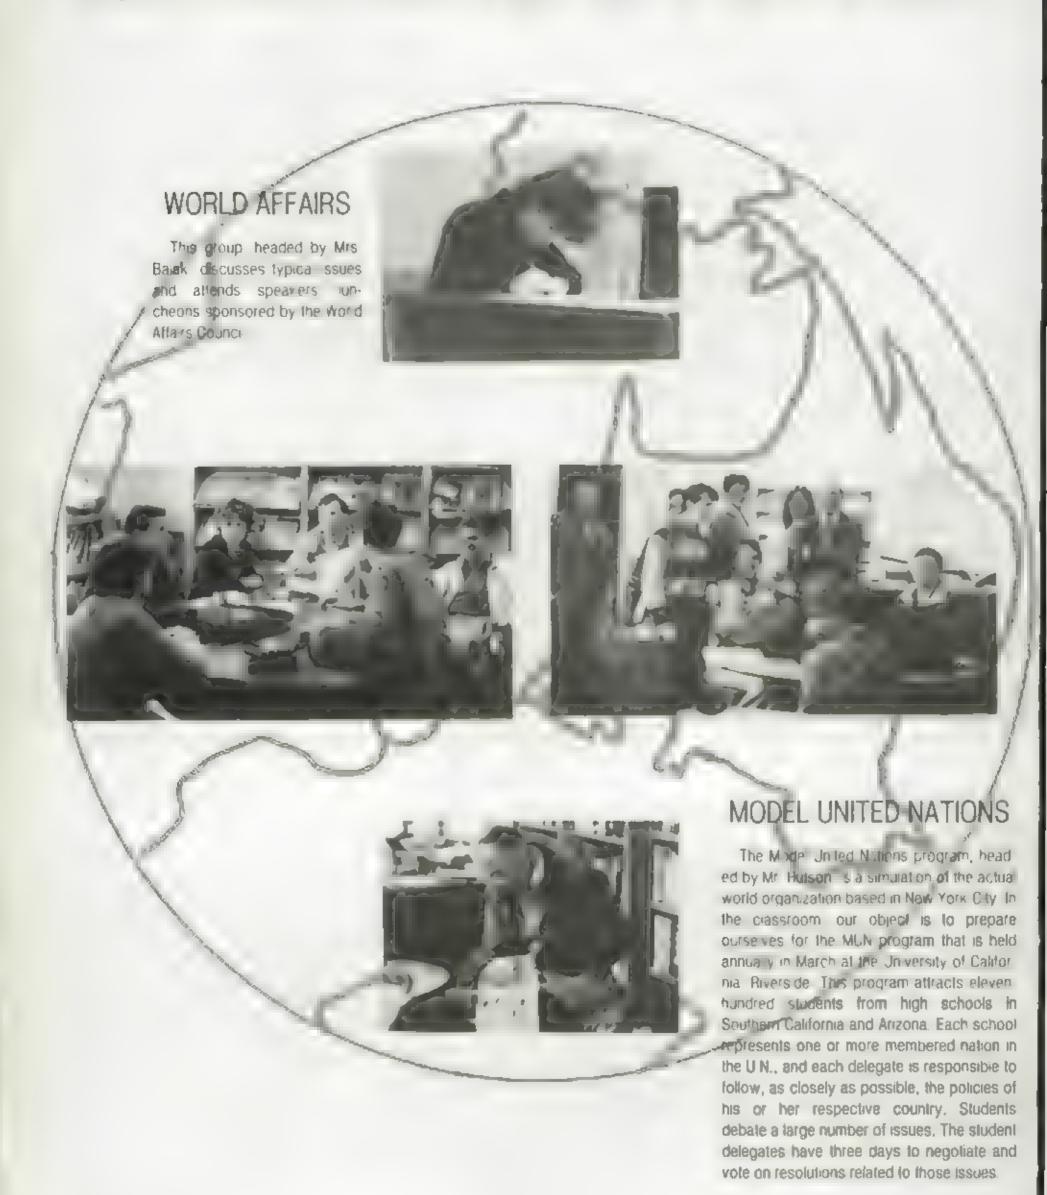

Blues, Dixieland, Kansas City, Big Band Be-Bop, Fusion, Electronic, Avant-Garde — Jelly Roll Morton, Louis Armstrong, Tommy Dorsey, Charlie Parker, Theionious Monk, Jean-Luc Ponty — all these relate to the history and form of Jazz music, the topic of discussion in Mr. Jesson's new activity. We think it is a good idea for students to see that there is more to music than Rock in Roll

#### STAGE MANAGEMENT

Stage Management, taught by Ms. Gaffin helps leach the students about lighting, set design, and the other elements of stage management. The members of this activity help on musicals and other drama events at Brentwood School

### MODEL UNITED NATIONS AND WORLD AFFAIRS

#### THE DUTING SLUB

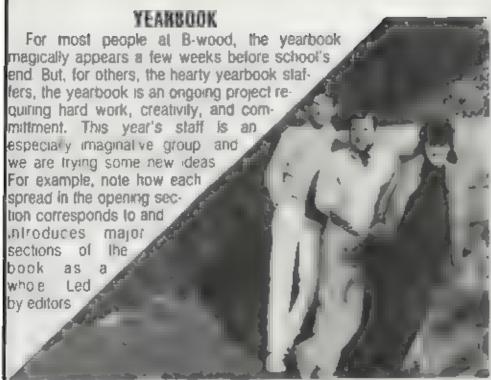

These hearty souls are members of Brentwood's outing club. Trips this year have included hiking at San Gregonio and crosscountry skiing in beautiful Yosemita. Led by Dr. Temple, some Brentwood students are getting a refreshing taste of California's vasi beauty

#### THE LOWER SCHOOL TIMES

If one happens to pass by Room 214 on Tuesday afternoons, he/she would see 36 screaming children being yelled at by Mr Saela and Mrs. Frumovitz. Undoubtedly, this creative process marks the staff of the LOWER SCHOOL TIMES. Despite all the creative input (yelling), these first-rate journalists manage to produce an excellent newspaper, highlighting the concerns of the Lower School population.

#### STUDIO ART

Studio Art is an Upper School Activity for students already enrolled in Art. This provides an opportunity for students to do extra work on projects already in progress

#### **PHOTOGRAPHY**

The Photography Club headed by Mr Shibuya is made up of Upper School students who are interested in learning the basics of photography and the developing and printing of film. Projects for the club are to include photography exhibit, contributions to the year-book and to the Flyer

A.F.S. ACTIVITY

A.F.S. International is a non-profit organization established to promote better understanding among people throughout the world and to foster the cause of world peace through student family exchange programs An effort is made to match the interests and characteristics of students and families so that the stay is successful for both. This year, Solveig Hoiter stayed with the family of Erica Steiger, and added her beauty and charm to our community. Summer programs are also offered in languages such as French, German, Spanish, Portuguese, and Hebrew, for which they may earn college credit. The activity is lead by Franzine Podner and Janet Bogle, as well as President 234 Cynthia McClelian and Secretary Barbra

#### **BIKE CLUB**

A new activity, the Bike Club, was formulated out of student request. Based around weekend excursions, the Bike Club intends to give its members a fundamental knowledge of biking techniques and bicycle maintenance Under bicycle expert M. J., the Biking Club should be a mainstay of Brent wood activities

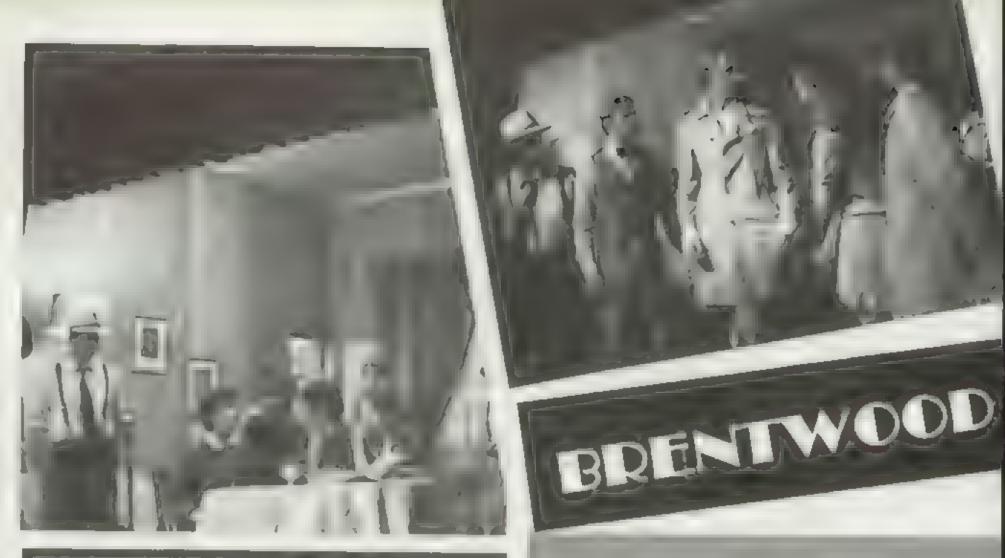

#### PEER COUNSELING

Students helping students is the essence of this activity. Under Mr. Saeta's leadership (He learned counseling techniques while up at Stanford), this group of students is learning how to help others face their problems and weaknesses, as well as simply providing a friendly word for those who need it. In a pressurized environment like Brentwood, we think the idea of students reaching out to help their peers is a most refreshing one

#### A Few Last Words . .

The 1985 Aerie is a product of the hard work and dedication of its staff. Although this staff started out as a group of relatively inexperienced journalists and photographers, they quickly grasped the techniques of yearbook production. From learning to operate a cropper to printing in the darkroom, this group should be well prepared to for the production of the next Aerie. They should be proud of their effort and we would like to extend our congratulations on the 1985 Aerie. — the editors.

Last, but certainly not least — TO THE BOYS, DON'T EVER STOP CUS THERE AIN'T NO ONE CAN STAND IN YOUR WAY!

#### PARENTS' ASSOCIATION

This year over 90% of the Brentwood families joined the Parents' Association. The membership dues enabled us to sponsor the New Student Orientation, mirror the gymnastics room, purchase cheerleaders' uniforms jointly with the Eagles Club, co-sponsor Homecoming, host Back-to-School Night and Prospective Parents' Open House, and assist with the Junior-Senior Prom and Graduation. Service was given through the year in the form of Tour Guides, and assistance to the individual grades with their field trips, sports, fund raisers, and social events

At the beginning of the year, we hosted a Parent-Faculty Reception which is always well attended. In November we presented an address by Barbara Bloomberg of Mothers Against Drunk Drivers, and a joint parent-faculty committee was formed this year to deal with substance awareness in our school. A Tennis-Tournament-Luncheon was one of our traditional Spring events.

The Fanfaire combined the Official Dedication of our Gymnasium, Lower School complex with our annual Benefit. It involved hundreds of people with multiple talents to present this historic event and the resultant funds will go to the Building Fund.

At the end of the year a Thank-You Luncheon was given for our hard-working faculty. Their skill and dedication inside the classroom and out are extremely appreciated.

The Brentwood Parents' Association Board and the strongly supportive parent body feel that this has indeed been a banner year, and we extend heartiest congratulations to the Class of 1985.
